Care-free import from the global market

Access to the right producers

With Stafa, you do business directly with carefully selected European and Asian partners. We use our knowledge of both clients and producers to support the entire import process. Your order will be produced in one of our factories and will then be sent directly by container to any address in the world.

Price benefit

Product demands, import duties, customs formalities: import is a complex process that is subject to many rules. With Stafa, you can rest assured that you are dealing with an experienced partner who will monitor the entire process.

Stafa mainly works directly with certified producers. This enables us to obtain products according to your own specifications under the best terms and conditions. You also benefit from our purchasing volumes, which gives you a price advantage, without compromising on quality. Your business, our expertise: we can both grow further.

Why import directly with Stafa?

- ✓ Carefully selected European and Asian partners
- ✓ Customised production
- ✓ Price advantage thanks to purchasing volume
- ✓ No customs worries
- ✓ Support throughout the entire import process
